

Discover the Mysteries of Chassidic Life. . .

...not from outsiders, but by the Chassidic Jews themselves. See Jewish life as it has been lived for thousands of years, since the times of Abraham and Moses.

As seen on CNN News - TV Asahi Japan and ABC Nightline.

But don't take our word for it...

"The highlight of our U.S. experience."

— N. Rajaram, 2003 Fulbright Professor from India

"More moving than the Statue of Liberty..."

— Confirmation class student from Washington D.C.

"It's powerful, gripping. You get a real inside view of the community."

— Tina Gaffney, Theater Actress, "Fires in the Mirror"

"The tour offers a blend of Talmudic seriousness and borscht-belt humor."

— Kathy Sempey, AP

"...it brought us to a new appreciation of the health and vibrancy of Jewish life in America today."

— Joyce M. Singer, Programming Coordinator, UJA Federation
